Rev. Margaret Deans  Mrs. Jessica Berry

Dr. Rick Jordan
Wednesday night study facilitated by Margaret Klose

Faith in 4D invites adults to join together in Discovery of the Depth of Christian faith by addressing real questions in matters of scripture, theology, and practice. Faith in 4D builds a foundation for Decision-making, and encourages personal and group Christian Development. Faith in 4D is produced by The Center for Teaching Churches of The McAfee School of Theology, Atlanta Georgia, Mercer University. This series is made possible by grant funding provided by The Lilly Endowment, Inc.

Real Questions People Ask . . . About the Bible, a Faith in 4D resource, contains real questions from people in various congregations. These questions have been submitted to one of the professors at the McAfee School of Theology for a response. The response comes in two forms, 1) a video response, and 2) a brief written supplement. This series features 6 questions, each with a brief, 7-9 minute video response from one of the professors. We will have time for sharing our own responses and guided discussion. Each professor has provided a handout as well.
