

Deborah Bryan

Deborah serves vitally in our ministry at Abingdon Baptist Church (ABC). She currently serves as the Director of our Ladies' Ministry. Her ministry has included coordination of an annual Ladies' Conference, Ladies' Retreats, Valentine's Banquet, Christmas Cookie Exchange, and numerous other events.

In addition, Deborah serves as the Director of our Senior Adult Ministries. She enjoys planning multiple, monthly day-trips from April to December, our annual church Beach Trip each September, and trips to the Sight and Sound Theatre as well as other biblical theaters.

Deborah has also been blessed with writing and directing Christian performances both for our church and for churches where she has served in the past.

The Lord called and led Deborah into her ministries a number of years ago. In other churches, prior to coming to ABC, she has served as director of children's, youth, and drama ministries as well as coordinated and spoken at ladies' conferences and events. Her service in the past has led her to serve both our ladies' and senior adult ministries today.

Deborah is retired from a career as a Legal and Executive Administrator for law firms, financial institutions, and corporations. Deborah loves being a pastor's wife and supporting and participating with her husband, Pastor Bill, in visitation and other aspects of his ministry. She loves tea parties, hiking and spending time with her many friends.

You may reach Deborah by emailing Pastor Bill at bbryan@abingdonbaptist.org.
