*From Our Pastor . .*

**Lancaster Trip** – Deborah and I are with the church group travelling to Lancaster, PA this week to enjoy a performance of “David” at the Sound & Light theater and the beauty and good food of the Amish country. In my absence, I have asked David Lavery to lead our Wednesday Bible study at 6pm on June 29 in the chapel. Due to my absence, there will not be a Zoom option or recording of the Wednesday Bible Study this week. Also, my Pastor’s Group study of Revelation will not take place this week on Tuesday at noon. We will meet for the Revelation study and resume our Wednesday night Zoom broadcast when I return next week. Please pray for our safety on this trip and for the Lord to do a good work in and through us while we are away. We will see you Sunday, July 3!

**Vacation Bible School** – On **Sunday evening July 10 at 5:30pm** we will begin our VBS for children pre-K to completed 5<sup>th</sup> grade with a snack supper in Fellowship Hall for children and workers. The VBS program will begin each night in the Chapel at 6pm. We will conclude the week with a **Hotdog Supper at 5:30pm on Thursday, June 14** and a closing program at 6:30pm in the Chapel. Everyone is invited to attend the hotdog supper and closing program on Thursday evening.

**Down Home Sunday Nights** – This year we will bring back a fun time of worship and fellowship on three Sunday evenings in July. As we gather at two homes and once at Latture Field, bring a folding chair to enjoy this time of music, worship, and fellowship in an outdoor setting. The dates, times, and locations of our 2022 Down Homes are as follows:

**Sunday, July 17 at 7pm** – Home of Bill & Deborah Bryan (22468 Azure Lane, Abingdon 24211)

**Sunday, July 24 at 5pm** – Community Cookout on Latture Field – See the Community Cookout article below.

**Sunday, July 31 at 7pm** – Home of John & Louise Crigger (138 Williams St SW, Abingdon 24210)

**Community Cookout** – You are invited to a Community Cookout at **Latture Field on Sunday, July 24 from 5:00–7:00pm**. We first hosted this event in June 2019 with great success. So, we are bringing it back this year as part of our Down Home Sunday nights. The church with support from the Deacon Ministry Team will provide hamburgers, hot dogs, chips, and drinks. There will be inflatables for the kids to enjoy as well as music and fellowship for everyone. As we take the church outdoors into our community, please invite friends and neighbors to join us. This is a night to meet and greet our community. No ticket is needed, and there is no cost to participate.

## Youth Ministry News. . .

### Passport Report

Last week, our youth attended Passport Camp at Greensboro College along with over 300 youth and chaperones from multiple states. The overall camp theme was Big and the daily themes we explored in Bible study were: Big God, Big Faith, Big Community, and Big Impact. Each morning, the youth participated in a Bible study before attending a different rotation in the afternoon. These rotations included worship leadership, missions education, and mission projects.

During the worship leadership, the youth were given an opportunity to learn different ways to participate in leading worship. One youth participated in a group that led a song during worship. Three youth learned an interpretive movement and performed during the worship service. Two youth participated by creating a piece of art representing the camp theme that was displayed during the worship service.

The missions education rotation allowed youth to participate in a poverty simulation. Youth were divided into groups that had to navigate housing, job security, enrolling in school, getting an ID and paying hospital bills. Several of the groups represented immigrants and refugees. This experience was incredibly enlightening and demonstrated that we don't often know what people are dealing with in their lives. It also highlighted the importance of access to education especially for families whose lives have been turned upside down by change. It also connected with the mission offering this year. Passport's offering supports three different ministries that aim to provide aid for families and access to education in difficult circumstances. The three ministries were Project Ruth in Romania that provides education for Roma children and has now expanded their ministry to include Ukrainian refugees, Africa Exchange that works to provide access to education for children in rural communities in Africa, and Together for Hope: Appalachia a CBF ministry that is present in poverty-stricken areas to provide relief and assistance. The campers raised over \$4,000 toward the mission offering during our week of camp.

The last two days we served at a local ministry called Backpack Beginnings. This is a non-profit ministry that seeks to provide food, clothing, and care for children in Greensboro and the surrounding area. One of the projects is the backpack ministry to feed children on the weekends during the school year and summers. Our youth packed food for their different distribution ministries on Wednesday and then sorted through clothing for their clothing pantry on Thursday. The campers were able to accomplish a great deal over the two days that they were at Backpack Beginnings that will provide much needed help for families in need.

This week had a big impact on our youth, and I look forward to them sharing about their experiences at camp with you during our Youth Sunday service on August 21.
